NOTIFICATION

Sub: Detailed qualifications for the post of Assistant Professor and Assistant Librarian – reg.

****

A. Assistant Professor:

1. Fruit Science

   (i) A Master degree in Fruit Science with at least 55% marks or equivalent degree with a relaxation of 5% for SC / ST / differently abled categories.

   (ii) NET/SLET/SET conducted by UGC/ICAR/CSIR/SLET/SET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for disciplines in which NET/SLET/SET is conducted. Essentiality of NET is relaxed for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and having at least two full length publications having a NAAS rating not less than 4. Candidates with Ph.D. degree without course work will not qualify for NET exemption. The list of NET subjects to be cleared for different discipline is as per ICAR guidelines.

   (iii) NET/SLET/SET shall not be required for such Masters Programmes in the concerned or related disciplines for which NET/SLET/SET is not conducted. However, such candidates should have one publication in NAAS rated refereed journals.

2. Vegetable Science

   (i) A Master degree in Vegetable Science with at least 55% marks or equivalent degree with a relaxation of 5% for SC / ST / differently abled categories.

   (ii) NET/SLET/SET conducted by UGC/ICAR/CSIR/SLET/SET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for disciplines in which NET/SLET/SET is conducted. Essentiality of NET is relaxed for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and having at least two full length publications having a NAAS rating not less than 4. Candidates with Ph.D. degree without course work will not qualify for NET exemption. The list of NET subjects to be cleared for different discipline is as per ICAR guidelines.

   (iii) NET/SLET/SET shall not be required for such Masters Programmes in the concerned or related disciplines for which NET/SLET/SET is not conducted. However, such candidates should have one publication in NAAS rated refereed journals.
3. Medicinal & Aromatic Plants

(i) A Master degree in Medicinal & Aromatic Plants with at least 55% marks or equivalent degree with a relaxation of 5% for SC / ST / differently abled categories.

(ii) NET/SLET/SET conducted by UGC/ICAR/CSIR/SLET/ SET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for disciplines in which NET/SLET/SET is conducted. Essentiality of NET is relaxed for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and having at least two full length publications having a NAAS rating not less than 4. Candidates with Ph.D. degree without course work will not qualify for NET exemption. The list of NET subjects to be cleared for different discipline is as per ICAR guidelines.

(iii) NET/SLET/SET shall not be required for such Masters Programmes in the concerned or related disciplines for which NET/SLET/SET is not conducted. However, such candidates should have one publication in NAAS rated refereed journals.

4. Spices & Plantation Crops

(i) A Master degree in Spices & Plantation Crops with at least 55% marks or equivalent degree with a relaxation of 5% for SC / ST / differently abled categories.

(ii) NET/SLET/SET conducted by UGC/ICAR/CSIR/SLET/ SET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for disciplines in which NET/SLET/SET is conducted. Essentiality of NET is relaxed for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and having at least two full length publications having a NAAS rating not less than 4. Candidates with Ph.D. degree without course work will not qualify for NET exemption. The list of NET subjects to be cleared for different discipline is as per ICAR guidelines.

(iii) NET/SLET/SET shall not be required for such Masters Programmes in the concerned or related disciplines for which NET/SLET/SET is not conducted. However, such candidates should have one publication in NAAS rated refereed journals.

5. Floriculture and Landscape Architecture

(i) A Master degree in Floriculture and Landscape Architecture with at least 55% marks or equivalent degree with a relaxation of 5% for SC / ST / differently abled categories.

(ii) NET/SLET/SET conducted by UGC/ICAR/CSIR/SLET/ SET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for disciplines in which NET/SLET/SET is conducted. Essentiality of NET is relaxed for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and having at least two full length publications having a NAAS rating not less than 4. Candidates with Ph.D. degree without course work will not qualify for NET exemption. The list of NET subjects to be cleared for different discipline is as per ICAR guidelines.
(iii) NET/SLET/SET shall not be required for such Masters Programmes in the concerned or related disciplines for which NET/SLET/SET is not conducted. However, such candidates should have one publication in NAAS rated refereed journals.

6. Post Harvest Technology

(i) A Master degree in Post Harvest Technology with at least 55% marks or equivalent degree with a relaxation of 5% for SC / ST / differently abled categories.

(ii) NET/SLET/SET conducted by UGC/ICAR/CSIR/SLET/ SET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for disciplines in which NET/SLET/SET is conducted. Essentiality of NET is relaxed for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and having at least two full length publications having a NAAS rating not less than 4. Candidates with Ph.D. degree without course work will not qualify for NET exemption. The list of NET subjects to be cleared for different discipline is as per ICAR guidelines.

(iii) NET/SLET/SET shall not be required for such Masters Programmes in the concerned or related disciplines for which NET/SLET/SET is not conducted. However, such candidates should have one publication in NAAS rated refereed journals.

7. Genetics and Plant Breeding

i. A Master degree in Genetics and Plant Breeding with at least 55% marks or equivalent degree with a relaxation of 5% for SC / ST / differently abled categories.

ii. NET/SLET/SET conducted by UGC/ICAR/CSIR/SLET/ SET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for disciplines in which NET/SLET/SET is conducted. Essentiality of NET is relaxed for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and having at least two full length publications having a NAAS rating not less than 4. Candidates with Ph.D. degree without course work will not qualify for NET exemption. The list of NET subjects to be cleared for different discipline is as per ICAR guidelines.

iii. NET/SLET/SET shall not be required for such Masters Programmes in the concerned or related disciplines for which NET/SLET/SET is not conducted. However, such candidates should have one publication in NAAS rated refereed journals.

8. Plant Biotechnology

(i) A Master degree in Plant Biotechnology with at least 55% marks or equivalent degree with a relaxation of 5% for SC / ST / differently abled categories.

(ii) NET/SLET/SET conducted by UGC/ICAR/CSIR/SLET/ SET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for disciplines in which NET/SLET/SET is conducted. Essentiality of NET is relaxed for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and having at least two full length publications having a NAAS rating not less than 4. Candidates with Ph.D. degree without course work will not qualify for NET exemption. The list of NET subjects to be cleared for different discipline is as per ICAR guidelines.
exemption. The list of NET subjects to be cleared for different discipline is as per ICAR guidelines.

(iii) NET/SLET/SET shall not be required for such Masters Programmes in the concerned or related disciplines for which NET/SLET/SET is not conducted. However, such candidates should have one publication in NAAS rated refereed journals.

9. Agril. Entomology
(i) A Master degree in Agril. Entomology with at least 55% marks or equivalent degree with a relaxation of 5% for SC / ST / differently abled categories.

(ii) NET/SLET/SET conducted by UGC/ICAR/CSIR/SLET/SET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for disciplines in which NET/SLET/SET is conducted. Essentiality of NET is relaxed for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and having at least two full length publications having a NAAS rating not less than 4. Candidates with Ph.D. degree without course work will not qualify for NET exemption. The list of NET subjects to be cleared for different discipline is as per ICAR guidelines.

(iii) NET/SLET/SET shall not be required for such Masters Programmes in the concerned or related disciplines for which NET/SLET/SET is not conducted. However, such candidates should have one publication in NAAS rated refereed journals.

10. Plant Pathology
(i) A Master degree in Plant Pathology with at least 55% marks or equivalent degree with a relaxation of 5% for SC / ST / differently abled categories.

(ii) NET/SLET/SET conducted by UGC/ICAR/CSIR/SLET/SET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for disciplines in which NET/SLET/SET is conducted. Essentiality of NET is relaxed for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and having at least two full length publications having a NAAS rating not less than 4. Candidates with Ph.D. degree without course work will not qualify for NET exemption. The list of NET subjects to be cleared for different discipline is as per ICAR guidelines.

(iii) NET/SLET/SET shall not be required for such Masters Programmes in the concerned or related disciplines for which NET/SLET/SET is not conducted. However, such candidates should have one publication in NAAS rated refereed journals.

(i) A Master degree in Soil Science and Agril. Chemistry with at least 55% marks or equivalent degree with a relaxation of 5% for SC / ST / differently abled categories.

(ii) NET/SLET/SET conducted by UGC/ICAR/CSIR/SLET/SET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for disciplines in which NET/SLET/SET is conducted. Essentiality of NET is relaxed for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and having at least two full length publications having a NAAS rating not less than 4. Candidates with Ph.D. degree without course work will not qualify for NET exemption. The list of NET subjects to be cleared for different discipline is as per ICAR guidelines.
(iii) NET/SLET/SET shall not be required for such Masters Programmes in the concerned or related disciplines for which NET/SLET/SET is not conducted. However, such candidates should have one publication in NAAS rated refereed journals.

12. Agronomy

(i) A Master degree in Agronomy with at least 55% marks or equivalent degree with a relaxation of 5% for SC / ST / differently abled categories.

(ii) NET/SLET/SET conducted by UGC/ICAR/CSIR/SLET/ SET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for disciplines in which NET/SLET/SET is conducted. Essentiality of NET is relaxed for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and having at least two full length publications having a NAAS rating not less than 4. Candidates with Ph.D. degree without course work will not qualify for NET exemption. The list of NET subjects to be cleared for different discipline is as per ICAR guidelines.

(iii) NET/SLET/SET shall not be required for such Masters Programmes in the concerned or related disciplines for which NET/SLET/SET is not conducted. However, such candidates should have one publication in NAAS rated refereed journals.

13. Agril. Engineering

(i) A Master degree in Agril. Engineering with at least 55% marks or equivalent degree with a relaxation of 5% for SC / ST / differently abled categories.

(ii) NET/SLET/SET conducted by UGC/ICAR/CSIR/SLET/ SET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for disciplines in which NET/SLET/SET is conducted. Essentiality of NET is relaxed for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and having at least two full length publications having a NAAS rating not less than 4. Candidates with Ph.D. degree without course work will not qualify for NET exemption. The list of NET subjects to be cleared for different discipline is as per ICAR guidelines.

(iii) NET/SLET/SET shall not be required for such Masters Programmes in the concerned or related disciplines for which NET/SLET/SET is not conducted. However, such candidates should have one publication in NAAS rated refereed journals.

(i) A Master degree in Agril. Microbiology with at least 55% marks or equivalent degree with a relaxation of 5% for SC / ST / differently abled categories.

(ii) NET/SLET/SET conducted by UGC/ICAR/CSIR/SLET/ SET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for disciplines in which NET/SLET/SET is conducted. Essentiality of NET is relaxed for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and having at least two full length publications having a NAAS rating not less than 4. Candidates with Ph.D. degree without course work will not qualify for NET exemption. The list of NET subjects to be cleared for different discipline is as per ICAR guidelines.
(iii) NET/SLET/SET shall not be required for such Masters Programmes in the concerned or related disciplines for which NET/SLET/SET is not conducted. However, such candidates should have one publication in NAAS rated refereed journals.

15. Crop Physiology

(i) A Master degree in Crop Physiology with at least 55% marks or equivalent degree with a relaxation of 5% for SC / ST / differently abled categories.

(ii) NET/SLET/SET conducted by UGC/ICAR/CSIR/SLET/SET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for disciplines in which NET/SLET/SET is conducted. Essentiality of NET is relaxed for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and having at least two full length publications having a NAAS rating not less than 4. Candidates with Ph.D. degree without course work will not qualify for NET exemption. The list of NET subjects to be cleared for different discipline is as per ICAR guidelines.

(iii) NET/SLET/SET shall not be required for such Masters Programmes in the concerned or related disciplines for which NET/SLET/SET is not conducted. However, such candidates should have one publication in NAAS rated refereed journals.

16. Agril. Economics

(i) A Master degree in Agril. Economics with at least 55% marks or equivalent degree with a relaxation of 5% for SC / ST / differently abled categories.

(ii) NET/SLET/SET conducted by UGC/ICAR/CSIR/SLET/SET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for disciplines in which NET/SLET/SET is conducted. Essentiality of NET is relaxed for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and having at least two full length publications having a NAAS rating not less than 4. Candidates with Ph.D. degree without course work will not qualify for NET exemption. The list of NET subjects to be cleared for different discipline is as per ICAR guidelines.

(iii) NET/SLET/SET shall not be required for such Masters Programmes in the concerned or related disciplines for which NET/SLET/SET is not conducted. However, such candidates should have one publication in NAAS rated refereed journals.

17. Agril. Extension

(i) A Master degree in Agril. Extension with at least 55% marks or equivalent degree with a relaxation of 5% for SC / ST / differently abled categories.

(ii) NET/SLET/SET conducted by UGC/ICAR/CSIR/SLET/SET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for disciplines in which NET/SLET/SET is conducted. Essentiality of NET is relaxed for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and having at least two full length publications having a NAAS rating not less than 4. Candidates with Ph.D. degree without course work will not qualify for NET exemption. The list of NET subjects to be cleared for different discipline is as per ICAR guidelines.
(iii) NET/SLET/SET shall not be required for such Masters Programmes in the concerned or related disciplines for which NET/SLET/SET is not conducted. However, such candidates should have one publication in NAAS rated refereed journals.

18. Physical Education

(i) A Master degree in Physical Education with at least 55% marks or equivalent degree with a relaxation of 5% for SC / ST / differently abled categories.

(ii) NET/SLET/SET conducted by UGC/ICAR/CSIR/SLET/ SET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for disciplines in which NET/SLET/SET is conducted. Essentiality of NET is relaxed for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and having at least two full length publications having a NAAS rating not less than 4. Candidates with Ph.D. degree without course work will not qualify for NET exemption. The list of NET subjects to be cleared for different discipline is as per ICAR guidelines.

(iii) NET/SLET/SET shall not be required for such Masters Programmes in the concerned or related disciplines for which NET/SLET/SET is not conducted. However, such candidates should have one publication in NAAS rated refereed journals.

19. Seed Science & Technology

(i) A Master degree in Seed Science and Technology with at least 55% marks or equivalent degree with a relaxation of 5% for SC / ST / differently abled categories.

(ii) NET/SLET/SET conducted by UGC/ICAR/CSIR/SLET/ SET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for disciplines in which NET/SLET/SET is conducted. Essentiality of NET is relaxed for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and having at least two full length publications having a NAAS rating not less than 4. Candidates with Ph.D. degree without course work will not qualify for NET exemption. The list of NET subjects to be cleared for different discipline is as per ICAR guidelines.

(iii) NET/SLET/SET shall not be required for such Masters Programmes in the concerned or related disciplines for which NET/SLET/SET is not conducted. However, such candidates should have one publication in NAAS rated refereed journals.

20. Agril. Statistics

(i) A Master degree in Agril. Statistics with at least 55% marks or equivalent degree with a relaxation of 5% for SC / ST / differently abled categories.

(ii) NET/SLET/SET conducted by UGC/ICAR/CSIR/SLET/ SET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for disciplines in which NET/SLET/SET is conducted. Essentiality of NET is relaxed for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and having at least two full length publications having a NAAS rating not less than 4. Candidates with Ph.D. degree without course work will not qualify for NET exemption. The list of NET subjects to be cleared for different discipline is as per
ICAR guidelines.

(iii) NET/SLET/SET shall not be required for such Masters Programmes in the concerned or related disciplines for which NET/SLET/SET is not conducted. However, such candidates should have one publication in NAAS rated refereed journals.

21. Biochemistry

(i) A Master degree in Biochemistry with at least 55% marks or equivalent degree with a relaxation of 5% for SC/ST/differently abled categories.

(ii) NET/SLET/SET conducted by UGC/ICAR/CSIR/SLET/SET is compulsory along with one publication in NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal for disciplines in which NET/SLET/SET is conducted. Essentiality of NET is relaxed for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and having at least two full length publications having a NAAS rating not less than 4. Candidates with Ph.D. degree without course work will not qualify for NET exemption. The list of NET subjects to be cleared for different discipline is as per ICAR guidelines.

(iii) NET/SLET/SET shall not be required for such Masters Programmes in the concerned or related disciplines for which NET/SLET/SET is not conducted. However, such candidates should have one publication in NAAS rated refereed journals.

B. Assistant Librarian

i) A Master's Degree in Library Science/Information Science/Documentation Science or an equivalent professional degree with at least 55% marks or its equivalent with a relaxation of 5% for SC/ST/differently abled categories. A consistently good academic record with knowledge of computerization of library is essential.

ii) NET is compulsory along with one publication in UGC/NAAS (National Academy of Agricultural Sciences, New Delhi) rated refereed journal. Essentiality of NET is relaxed for the candidates holding Ph.D. degree provided it has been done with course work as prescribed by the UGC Regulations 2009, and having at least two full length publications having a NAAS/UGC rating not less than 4. Those candidates with Ph.D. degree without course work will not qualify for NET exemption.

BY ORDER,
